## Short Term Add-on Certificate Skill Based Courses

### An IQAC Initiative 2021-22

#### Objectives:

- ❖ To empower students with the fundamental knowledge of area of Specialization.
- ❖ To allow students to go beyond their curriculum and facilitate them to extend their interest level in each area.
- ❖ To introduce students to practical world of decision making which connects to industrial requirements in better way.
- ❖ To equip students with 21<sup>st</sup> century employability skill.
- ❖ To build capacity among students to stand up in the competitive world.

#### Practice:

The college conducted nine skill based courses in collaboration with the knowledge partners. Each course was of 60 hours duration. The add-on BOS in association with the knowledge partner framed the syllabus, conducted course which included lectures and hands on practical sessions. The students were evaluated continuously using different assessment tools such as assignments, tests, practical exam and small projects. The successful students were certified.
