Mamasaheb Mohol College, Paud Road Pune 38

Institutional Distinctiveness

The vision of the institution is “Bahujan hitay Bahujan Sukhay i.e. Betterment for all and happiness for all. The college focuses towards the education of masses (Bahujan)i.e. socially and economically weaker section of the society.

The college is surrounded by “slum area” an under privileged habitation. The college follows first come first serve basis admission policy. This ensures the student located in vicinity is accommodated in the college. The most of the students are from economically weaker section. The college provides them fee installment facility. The professional programs like B Sc (computer science), M Sc (computer science) and BBA (CA) are made available with the minimum fees as compared to other colleges located in the vicinity. In spite of these concessions the college is ardent about quality education. The College makes them aware about- various scholarships schemes. The Earn while Learn Scheme is also available for needy students.

Most of the students come from vernacular medium and low academic background. The college conducts - spoken English activity, Remedial coaching and bridge course to ensure academic growth of the student. The college makes use of technology for teaching learning to be efficient. The activities are organized to expose students by conducting various workshops to the advanced knowledge as well.

The college helps them to become self sufficient and responsible citizen. The college conduct skill based courses from last four years to enhance employability skills of the student, so that their confidence will boost and they can stand on their own feet. The college has active placement-cell which provides guidance about placement. Job fairs are organized to provide placement-assistance to students. The entrepreneurship development cell is also started by recognizing the need of the time. The activities supporting self employment skill are conducted through this cell.

The college also organizes large number of Extension program for community reach out. This inculcates values among the students and helps to develop civic sense among them.
